Self Defense Firearms Training Handgun Safety and CCW Class

When your life depends on your training!

800.617.5305

Thank you for choosing RealWorld Firearms Training. Our instructors are NRA and DPS Certified Firearms Instructors and Range Safety Officers. We are former law enforcement and military veterans with years of experience.

The shooting range is outdoors and here are a few recommended items to bring for the day: Clothing suitable for the weather, including footwear suitable for outside activity. Hat compatible with your hearing protection-water and snacks-sunglasses.

Equipment to bring: Your handgun and at least 100 rounds of ammunition, unless prior arrangements have been made for rentals. Eye protection-hearing protection will be provided, if you do not have your own.

Handgun topics covered include: handgun safety training and Live Fire exercises. Basic Firearms Safety Rules- Proper Grip (Two-Handed/One-Handed) Proper Shooting Stance-Proper Sight Alignment- Proper Trigger Control, Loading and Unloading your Firearm- Concealed carry holster options and draw techniques, ammunition and its function-pistol cleaning and care-Safe weapons storage.

CCW statutes & law review topics covered include: Arizona laws regarding concealed carry and the use of force. Covered topics include the legal justification for the use of deadly force, the legal requirements for self-defense, the castle doctrine, defensive display, and how to approach an encounter with law enforcement. The Arizona CCW permit is currently recognized in 34 other states.

****All students will receive pertinent law information and Certificate of course Completion. CCW form packet is issued and on-site fingerprinting option on two DPS cards is available for additional fee of \$25, as indicated on the Groupon deal.**

****Note:** Cost of Course does not include AZ DPS Permit processing fee of \$60, which is submitted by applicant upon completion of course directly to DPS.

Instructor profile

Whether it is how to handle a gun or store it safely, everything taught in one of RealWorld Firearms Training's classes is grounded in decades of experience.

Founder, Robert Martin, has worked as a civilian and military law-enforcement officer, certified executive protection agent, licensed investigator, and he has trained and carried guns for more than 30 years

For training in the real world, call us at **800.617.5305** to schedule a class.
